

With the Merci Mix cutlery line for Serax, the designers from the French concept store Merci take you back to the time when individuality prevailed, while crossing swords with uniformity and monotony. The six different handle edges

of the Merci Mix spoons, forks and knives for Serax allow each guest to eat with his own, unique cutlery. Merci Mix for Serax, a rewarding mix of taste and individuality.

## MERCI

**Merci  
for  
SERAX**

Merci, located in the heart of the historic Parisian district of Haut-Marais, is a magical place where people can shop for the best of fashion and design while enjoying Parisian hospitality in one of the store's cosy catering facilities. To say thanks to all their creative talents, Merci offers a platform for young designers, and to say thanks to life itself, part of the company's profits go to an endowment fund to finance education and development projects in Madagascar. And with that, their final 'merci' goes to all their customers who make this project possible.

Merci

## MATERIALS

Stainless steel 18/10, except table knife & dessert knife. The knives are made in stainless steel but 18/10 can not be sharpened.  
Official qualities (US norm): knives AISI 420 & other AISI 304
